Re: Ex Parte Communication in CC Docket No. 96-61

Dear Mr. Caton:

On November 4, 1996, Leon Kestenbaum, Esq. and Kent Nakamura, Esq., representing Sprint Communications Company, L.P. ("Sprint") met with Messrs. James Schlichting, Patrick Donovan, Sherille Ismail, and Neal Fried of the Common Carrier Bureau's Competitive Pricing Division. During the meeting, we discussed Sprint's position on geographic averaging and rate integration. Our positions were fully consistent with Sprint's filings in that docket. In addition, Sprint also provided the Division staff with the attached copies of advertisements for Guam-originated interexchange service.

Please call me at (202) 828-7402 should you have any questions.

Very truly yours,
